Function	Medical health services,Pain relief
MOQ	100PCS

Aviation plugs not only make a significant contribution in industry, but also have a wide range of applications in the beauty industry. Such as: aviation plug electronic pulse for human body massage instrument, suitable for health care, skin care, relieve fatigue and so on. The instrument has multiple regulation and protection, safe and reliable. The working waveform of the pulse current output of the instrument is different from that of ordinary electronic physiotherapy products. This special modulated pulse current has a good dredging effect without obvious tingling sensation.

Our customized products are not only limited to one field, we accept different materials, different connectors and other customized specifications, which are very effective in medical and other fields, such as [2.0 electrode needle cable with lemo](#) and [20Pin Connector to ECG Lead Wire](#) and [Negative Plate with Metal Lemo Plug](#) and [Double Sided Conductive Ear Clip](#) and so on.
