

Product name	AgCl Plated EEG Electrodes OpenBCI EEG Dry Electrodes EEG Comb Type Metal Electrodes from Guangdong Factory with ISO Certification & Medical Certification
application	Stimulation machine, physical therapy instrument
Place of Origin	Guangdong China
Selling Units:	Single item
Conductor material	AgCl Plated copper
Package	Individually packaged

Application:

- **Neuroscience Research:** In the field of neuroscience research, used for EEG signal acquisition to assist researchers in analyzing and monitoring brain activity.
- **Medical Diagnosis:** In medical diagnosis, helping doctors with EEG monitoring and diagnosis of diseases such as epilepsy and sleep disorders.
- **Rehabilitation:** In rehabilitation institutions, can serve as a tool for monitoring brain function recovery during rehabilitation.

Main features:

- **Electrode Material and Process:** Utilizes the AgCl plating process, ensuring excellent electrical conductivity and stability of the electrodes.
- **Electrode Design:** Comb type metal electrode design for easy attachment to the scalp, providing reliable EEG signal acquisition.
- **Connection Component:** Equipped with a [high - quality medical female snap](#), which enables secure and easy connection with other medical devices, ensuring stable signal transmission.
- **Convenience:** Dry electrodes specifically designed for the OpenBCI system, eliminating the need for conductive gel and offering convenient use.
- **Factory Quality:** Manufactured in a Guangdong factory with strict production standards and quality control.
- **Certification:** Possesses ISO9001 ISO13485 and medical certifications, guaranteeing that the product meets international quality and medical safety standards.

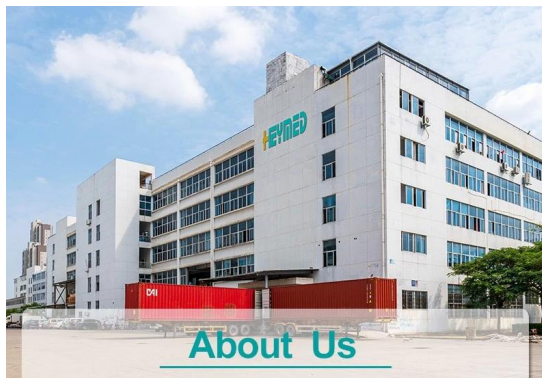

Certification and Compliance:

This cable meets strict standards to ensure the highest quality and safety levels in the medical field:

- **ISO 13485:** Certification ensures compliance with international standards for medical device quality management systems.
- **ISO 9001:** Ensure that products are manufactured under a sound quality management system.
- **FDA Approved:** The product is registered with the U.S. Food and Drug Administration and meets its medical device standards.
- **CE MDR certification:** Complies with the EU Medical Device Regulation (MDR) to ensure safety and effectiveness for medical use.

Company information. Overview

About Us

10+ Years Experienced Professional Manufacturer of Customized Cables.

2000 M²
Factory space with 10 years
of production experience

100+
Employees

OEM/ODM
Support cable customized

TOP 500
Bands approved
manufacturer

Certificate

We followed international ISO management Standard to make our custom cables, medical cables and chargers with good quality and best price.

FAQ

Q1: Can I start a sample order before ordering more?

A: Of course, Heymed will provide free samples if we have them in stock, customized samples require installation fees. Thank you for asking us for samples to check our quality.

Q2: What payment methods do you accept?

A: PayPal, T/T, bank transfer, Western Union and L/C

Q3: How does your factory do in terms of quality control?

Answer: Quality is priority. The QC department with professional quality assurance experts attaches great importance to quality control from beginning to end. Our factory has obtained Rohs, SGS, CE FCC, ISO9001:2008 certification. ETC

Q4: Factory? Yes! Can I customize the items I like, such as printing our own logo or modifying the design?

A: Yes, we are a factory with more than 100 employees. We provide OEM/ODM services. Please contact us or our sales representative for details.

Q5: Delivery time and warranty? What shipping service will you use to ship my product?

A: Our delivery time is about 2-4 weeks, and we can provide 12 months warranty from delivery. We use DHL, Fedex, UPS, TNT, EMS as customers.

Q6: Where is your factory located? How can I visit there?

Answer: Of course. We are very happy to welcome you to Dongguan and show you our workplace. Our factory is located in the third. Building A, No. 8, Kangyang 1st Street, Shebei Village, Huangjiang Town, Dongguan City, Guangdong Province, China
